

## RAIN FALLS IN EVERY PART OF PANHANDLE

### Cattle Buying In County Will Start During Next Week

Crew Will Buy Cattle Either Monday or Friday

ASK FOR 1,000 MORE

Cattle Must Be Listed at Office County Agent

Cattle will be bought by the government in Randall county either next Monday, Nov. 26, or on Friday, Nov. 30.

County Agent W. H. Upchurch has asked for an increase in the quota of 500 which was granted Randall County, and is seeking to have 1500 head bought. He expects that an answer will be received before the end of this week. Additional quotas have been given a number of counties on the Plains.

Mr. Upchurch requests that every farmer and stock raiser who has cattle he wishes to sell to list them this week. If the quota is raised, it may be possible to accept all cattle which are offered; if the quota is not raised, it will be necessary to buy only a certain percent from each owner.

The government is transferring the crews engaged in TB work to the cattle buying program in order to complete the buying in a short time. It is believed that all counties of the Panhandle will be covered during the coming two weeks with the assistance of these additional crews.

While the rains of the past week will make some pasture for cattle in this section, the high price of feed, and the scarcity of feed all over the Southwest is being urged by stockmen as a most urgent need for the government to increase the quotas for this section.

### Quattlebaum Is Returned Pastor of Methodist Church

Rev. J. O. Quattlebaum was returned for the coming year as pastor of the local Methodist church by the Bishop when the appointments were read Sunday night at the close of the Annual Conference held at Abilene. Rev. Quattlebaum has completed his first year as pastor of the local church.

Rev. L. N. Lipscomb, presiding elder of this district for four years, was made pastor of the Lubbock church. Rev. M. M. Beavers, former pastor and presiding elder, was transferred from the Clarendon district to Sweetwater. Rev. C. W. Foote, pastor two years ago, was returned to Slaton.

Rev. J. O. Haymes was made presiding elder of this district.

### "Oh, Professor," Will Be Given at High School Tues.

"Oh, Professor," a musical comedy, will be presented at the high school auditorium Tuesday night, Nov. 27, at 8 o'clock. 125 Canyon people will be in the play. The cast will be assisted by a girls' and boys' chorus, and College chorus.

In the cast are J. B. Fowler, Pollyanna Pitts, Charles Donnell, Bob Hunt, Bill Smith, Cleveland Jones, Mrs. Milton Sanders, Lee Foster, Anita Davis.

The P. T. A. is trying to raise money to buy new blackboards and other things the school needs badly. The play is considered most unusual, and one which will be greatly appreciated as something different than any which has been given in Canyon.

The admission will be 15c for children, and 35c for adults.

### CORN-HOG CONTRACTS TO BE OFFERED

Ready For Farmers In December Is The Plan

BASIS OF 1932-33

Announcement Will Be Made Soon On Contract

"A corn-hog program for 1935 has been definitely decided upon by the Agricultural Adjustment Administration, and the contract and other forms are being prepared now," according to E. M. Regenbrecht, Extension swine husbandman. "Farmers will be invited to sign these contracts either late in December of this year or early in January, 1935."

"The 1932-1933 base already established will be used again in carrying out both programs. Farmers will be permitted to produce hogs up to 90 per cent of the established base, and benefit payments will be figured at \$15 per head for the 10 per cent not produced. Another feature of the 1935 hog program is that it permits the unrestricted purchase of feeder pigs by contract signers from contract signers."

"Regulations as to what contract signers may plant on all land kept out of corn production will be liberal. The only restriction is that they may not increase the amount of land planted to any other base commodity."

"Exact details of the corn and hog programs are not yet available, but it is hoped that they will be announced some time within the next 30 days," Mr. Regenbrecht said.

### Automobile Plates Not Available Before February 1st

Car owners will not be able to secure their 1935 car license plates before the first of February under the terms of a law passed by the last session of the legislature. Hitherto car owners could buy plates in December and January, but the time has been changed so that the plates are not placed on sale until the first of February.

Miss Hannah McCormick of Amarillo visited here this week end in the Ervin Cantrell home.

Mr. and Mrs. N. E. McIntire were in Hereford Sunday visiting relatives and friends.

### News Will Be Published Wednesday Next Week

Owing to the Thanksgiving holiday next Thursday, the News will be printed next Wednesday afternoon, and placed in the postoffice either late Wednesday or early Thursday morning. This is necessary in order to have the papers distributed for the readers on Thanksgiving Day.

Correspondents and advertisers will please note that copy must be in early next week and have all materials for next week's issue at the News office by next Wednesday morning.

### Mother of Dr. J. A. Hill Died At Hamilton

Dr. J. A. Hill was called to Hamilton, Texas, yesterday by the death of his mother, who had been extremely ill for some time.

Dr. Hill had visited her a short time ago. Mrs. Hill had many friends who had come to know her when she visited in Canyon.

### Col. E. R. Coppock Pays Visit to Palo Duro Park Friday

Colonel Edward R. Coppock paid a surprise visit to the Palo Duro State Park Friday. He expressed great surprise and pleasure at the progress that had been made at the Park since he was relieved from duty in May.

Colonel Coppock has retired from the army and is devoting his time to the improvement of his real estate. He will spend the winters on his place at San Antonio, and the summers on his farm in Indiana.

Colonel Coppock made an extensive trip on his way south through Iowa where he taught school when a young man; visiting CCC camps in Missouri, Kansas, and Oklahoma. He wrote D. A. Colp, chairman of the Texas State Parks Board, a letter of approval of the work being done at the Palo Duro.

"There is work for 800 men for eight years at the Palo Duro," stated Colonel Coppock.

### Red Cross Roll Call to End This Week

Ask That All Report Who Wish to Make Contributions

The annual Roll Call of the Red Cross will be closed this week, according to a statement of Mrs. Ray Campbell and Mrs. J. M. Daugherty, yesterday. Those who have been canvassing the city on the Roll Call will complete their work so that the final report may be made.

"The response has been very good this year," states Mrs. Campbell. "While the sum of money collected has not been as large as in other years, the willingness of the people to do their best is greatly appreciated by those in charge of the Roll Call," said Mrs. Campbell.

A total of \$126 had been collected yesterday. The Red Cross has been requesting \$200 from Randall county in years past, but set no quota for this year's Roll Call. A number of citizens have requested the committee to see them this week before the time expires for completion of the campaign. Mrs. Campbell requests that should any person have been missed who wishes to make a contribution to call either herself or Mrs. Daugherty before Saturday.

### Superintendents of State Parks Not to Meet at Palo Duro

Meeting of State Park superintendents at the Palo Duro State Park has been postponed from Thanksgiving, according to information received from D. E. Colp, chairman of the State Parks Board. It was planned to have all the park superintendents of Texas at a big Thanksgiving celebration next week, making a party of 75.

Owing to the fact that National Park officials who were scheduled for this meeting could not be in Texas at the time, caused the postponement. Mr. Colp will call the meeting for a later date, as he has started the plan of quarterly gatherings at the various state parks in order that superintendents may inspect the work in progress at the various projects.

### WAVE COLDER WEATHER HITS AFTER RAINS

Wheat Shows Growth After Rains Hit County

TOUCH OF WINTER

Rains Saturday and Yesterday Fall In County

The first general rains for the entire Panhandle fell Saturday morning and Tuesday night. Every section of the Panhandle was visited by this rainfall, according to reports received.

In Canyon the rains amounted to .80 of an inch Saturday morning, and .33 of an inch Tuesday night, making 1.11 inches for the two days. This brings the total for the year up to 12.82 inches. The total rainfall for 1933 was 11.12 inches.

The coldest wave of the year accompanied the rain of Tuesday night and yesterday. The temperature dropped to 31 degrees, the lowest point being at 8:00 o'clock this morning. Ice covered the pools of water standing on the streets this morning, being the first real freeze witnessed in this section for the year. It is most remarkable, according to weather observers to not have a killing freeze in the Panhandle before November 21st.

Farmers are elated over the moisture which came for the Panhandle. Wheat which was planted in September was not showing, and much of it was dying on account of the continued dry weather. Many farmers from all sections of the county state that since Saturday the wheat has taken on life, and in a few days the country will be green as a result of this growth. However, it is stated that more moisture must come before the first of the year if the wheat is to make a normal start, in view of the exceedingly dry weather throughout the year.

Weather prediction for this section today is fair and warmer, with bright sunshine this morning. Yesterday was disagreeable with a high wind sweeping mist and fog from the north.

### School Trustees Remit Penalties On Delinquencies

Good news for those who owe delinquent school taxes is found in the announcement this week that all penalties, interest and costs have been remitted by the school trustees effective at once.

The last session of the legislature passed a law making the remission of these costs mandatory on the state, county, cities and school districts, but the law does not become effective until Feb. 8th. School districts and cities have the power to make the law effective at once, which is being done in the Canyon district.

The school trustees are calling upon all citizens who owe delinquent taxes to pay them at once in order that the schools may be maintained at their present high standards throughout the year.

### MRS. J. A. HILL HAS OPERATION MONDAY A. M.

Mrs. J. A. Hill underwent an operation Monday morning at an Amarillo hospital. She is improving nicely, but will be in the hospital for about three weeks.

Miss Marion Hill returned yesterday from Austin where she is a student in the university, and will probably remain at home to be with her mother.

### Canyon Writers Are Recognized In New Book

Six Canyon poets are included in Prairie Night and Yucca, an anthology of Panhandle poetry which will be published by The Dalhart Texan this week. It was completely sold out ahead of its publication date. The six Canyon poets are Mrs. Inez Hinkle, Hope Bussey, Fray Kingsley, Mary Moss Richardson, Ella E. Roffey, and John Blaine, Jr.

The volume contains the work of 102 Panhandle writers and is the first effort made to collect the work of poets in this region. It was discovered when work on the book began that the Panhandle had a number of widely recognized writers whose work had appeared in various magazines and anthologies.

The book contains 286 pages, is beautifully bound and has a cover design by George Autry of Amarillo, printed from wood cuts. Copies, many of them for reference shelves, have been bought by libraries over the country.

John L. McCarty, Texan editor, compiled the anthology, assisted by H. H. Lawrence of The Texan staff who has achieved considerable recognition as a poet.

### GORDON RICE KILLED IN MISSOURI ACCIDENT

Word has been received here of the death of Gordon Rice in a car accident in Missouri. Postal authorities were asked to assist in locating relatives.

### Thanksgiving Will Be Observed Wednesday Night, 7:30

All the churches of Canyon will co-operate in a Thanksgiving service next Wednesday night, Nov. 28th, at 7:30 o'clock, at the Presbyterian Church.

Rev. J. O. Quattlebaum, pastor of the Methodist Church, will preach the sermon. Everyone in Canyon is invited to join in this Thanksgiving service.

### JACK BURDIN CAUGHT SATURDAY AFTER ESCAPE

Jack Burdin was captured Saturday in Amarillo and landed in jail. He recently escaped from local officers by jumping from the second story of the court house while being questioned with two others for theft of merchandise from trucks on the highway.

Whether or not the Home Owners Loan Corporation ceases to make loans, it may be said of it that no government agency has done a greater service than this one. It has saved the homes of thousands of good citizens who were in dire distress. While it is the policy of the government to retire as quickly as possible from the field of loan making, this one function should be among the last to cease. The people of the nation need these loans; on the whole they are safe investments, or will prove safe with a return of better times. There is nothing that brings the feeling of security to the family more than owning its own home. A nation of home owners, is a nation of home lovers, a people will progress who will devote their time and energy to building and beautifying the little plot of ground, and the little building which they term home. In a material sense it may not be as good as the house which the family could rent; and ownership may cost more than a better house could be rented for, but on the whole a nation of home owners is much more substantial than the nation of renters. While the government wishes private capital to get under the burden of home loans, it may be forced to continue this service during the coming year until there is a more substantial return in the direction of prosperity.

Wall Street has recognized the fact that President Roosevelt will be re-elected in 1936, and is therefore making plans to live under six years more of Democratic control. A willingness to assist the President in formulating permanent policies of recovery is being shown more and more by the industrial leaders. The past two years has witnessed many, many

programs of temporary relief. As a result, the depression has definitely been checked, but the harder job will be to formulate plans for a definite program of recovery. Temporary experiments will not permanently solve the problem. The next two years will be more serious than the past two, because of the feeling that it is now up to the President to lead in the formulation of a program for definite recovery. That he is capable of so doing, the people of the United States have expressed the utmost confidence. Congress will probably be a little more rebellious than in the last session, but on the whole will give the President every power that he demands. We shall see some interesting political maneuvering during the coming two years.

A returned missionary states that the greatest difficulty in the foreign field is to explain the denominationalism of America. In fact, this is the hardest thing any person has to solve as he looks at the question of religion, and seeks the power of Christ over the lives of men. Of course this nation was founded upon the principle of every man believing as he pleased, and going in the direction that his conscience directed. As a result, scores of branches of the Christian religion have sprung up, all claiming to have as their source in the Christ. Those whom we term as "heathen" cannot understand why the people of this nation should be so badly divided in the matter of religion when all claim to have a single leader. It is no wonder that the "heathen" becomes so greatly confused.

A national publication launches a drive against the Red Cross at the beginning of the annual roll call, charging that it is a war machine sponsored by the monied interests to keep alive the war spirit. The attack is most unjust. The Red Cross is very much a human affair, made up of thousands of individuals who are giving their time and talent to relieving misery in the human race. That it has made mistakes, no one denies; so long as the human element is supreme in the make up of the organization, just so long will these mistakes continue. Foolish things may have been done and more foolish things said by those in authority in this great organization; but on the whole it is as free from criticism as any world wide organization could be.

The Department of Justice is doing effective work in running down thugs. Bank robberies are on the decline as a result of so many thugs either being shot or placed behind the bars. Fear does not have much weight with the hardened criminal, until Uncle Sam adds hot bullets to the argument.

Can you imagine the wonderful powers of an individual who gets complete control of a state like Huey Long has in Louisiana? Long is no longer a national joke. Any man who can amass the power that he holds is no fool, although his antics might dub him to be in this

## News in Canyon 25 Years Ago

(Taken from the files of the Randall County News of Nov. 12, 1909)

Word came from Austin this morning that Hon. R. B. Cousins, State Superintendent of Public Instruction, had been chosen President of the new state normal college recently located in Canyon.

Louis Maloney, manager of the dry goods department of the Canyon Supply, was attacked Saturday night while on his way home north of the railroad. One man struck him twice with a knife, while another stood by. Maloney escaped in the darkness after knocking down his assailant.

The commissioners court voted to connect the new court house with the city light plant for lights and power.

R. A. Terrill and L. E. Cowling presented the deed to the land in the east part of town for the location of the new college. The members of the locating board accepted the deed, thus completing the location arrangements.

## TELEPHONE SERVICE

The telephone service this company furnishes you could not be as uniformly good, as quietly accurate, as far-reaching and inexpensive, if the nation-wide organization of the Bell System did not stand behind it.

There is American Telephone and Telegraph Co., the parent organization, furnishing technical and business guidance to the 24 operating companies.

There is Bell Laboratories, the research organization, constantly seeking better and more economical methods and equipment.

There is Western Electric, the supply unit, buying and manufacturing at a cost in most cases below what would be paid in competitive markets.

Each of these units stands behind the men and women who give you your local telephone service. Each is dedicated to the fundamental and enduring Bell System policy of giving good telephone service, at a fair cost to the user.

Back of this policy lies our belief that in an undertaking such as ours, planned for the long run, what is best for the telephone user becomes in the end the course that will bring us the sounder, more enduring success.

class. The use of the powers given into his hands will determine his control of those powers. A sensible people will not long continue the abuse of power in the hands of any individual. Texas thought she was in a bad way under the control of Fergusonism, but old Jim is a back woods amateur in comparison with Huey Long.

Again the warning comes that unless the government property in the postoffice lobby is respected, the building will be locked during the night. The lobby is a loafing place for youths, who have been taking posters from the government bulletin board, and marking the walls. The district inspector has given repeated warning that this must stop. Will the small number who have been making themselves a nuisance in the post-office lobby inconvenience the entire community just for the sake of carrying on their pranks? Citizens of Canyon should warn those who loaf in the lobby at night to respect the government property.

Some kind of job or old age insurance is almost certain to be attempted in the coming session of congress. The devastation of the depression has shown the people of this nation that a substantial protection of those who have reached retirement age is very necessary. While considerable movement is underway for old age pension, the real thrifty of the nation would much prefer to have insurance of a steady job, one in which they could be useful so long as they are physically able to help themselves.

The peculiar mix up in taxes this year is most confusing. The new bill abolishing penalty and interest on delinquent taxes will not become effective until Feb. 8; the new discount plan will not be effective until next October; automobile taxes cannot be paid until February 1st. In the meanwhile many cities and school districts are abolishing penalties on delinquent taxes thereby hoping to be able to collect up these delinquencies before the new state laws take effect.

Those who gamble or booze may not receive relief work or aid, according to a ruling from Austin. This is as it should be. The people of Texas are not interested in paying taxes to furnish men money to waste on either booze or games of chance. Citizens who know of any person on the relief rolls who is violating this rule will do themselves a favor by reporting the same to the county relief office.

The Demonstration School Model Fair, the event of which the whole elementary school has been buzzing, will open officially on Friday afternoon, November 23rd, from 1:00 o'clock to 3:30 o'clock and from 9:00 o'clock until 12:00 o'clock Saturday morning, November 24th.

Demonstration School children wish to invite all their mothers and fathers to the fair as well as friends and patrons of the school. There will be no admission charge. Side shows and other attractions will be the only features of the fair for which admission of one penny will be charged. All features of the fair will be held in the Education Building on the northwest corner of the W. T. S. T. C. campus.

A few of the attractions will be a one-ring circus, a train ride for kiddies, a puppet show, a fortune teller, a health exhibit, and a history exhibit. Also there will be a pet show. Popcorn, candy, and balloons will be on sale.

## The Newer Manner In Kitchen Refinements

The "Nesco" Roaster on display at our local office embodies the most practical refinements for the kitchens of today. The charm and magic of electricity is built into the appliance itself.

The full, natural flavor of foods cooked in their own juices is retained by the "Nesco." Oven speed in baking is obtained simply by the "high" and "low" heats.

Average cost of operation is slight. The heat generated within the appliance itself is so insulated that the heat is conserved. We'll be glad to show you this newer refinement.

## Buffaloes To Play Alva Next

### Finis Of Football Season Is Drawing Near

Next Saturday the West Texas Buffaloes wind up their football season with a game in Alva with the Northwestern Rangers of Coach Jenks Simmons.

In the Rangers the Buffaloes are meeting another one of those strong Oklahoma Conference teams against which the Buffs have not fared so well this season. The Buffaloes have dropped to Central, East Central, and Southwestern in exciting games. The Panhandle Aggies are the only Oklahoma team which the Buffs have beaten this year.

However, the Buffs have had their ups and downs, and now, in the final contest of the year,

twenty of as game boys as ever donned moleskins have their heart set on making a fitting adieu by winning from the Rangers. If the Buffs can play a whole game like a half they played at Atchison, they should have no difficulty. Last year the Rangers were victors over the Buffaloes 7 to 6 when Teague missed his only extra point of the year.

This year, Coach Simmons, a former professional football star, has a powerful, rugged team. Simmons does not depend so much on deception, but he believes in shooting big, fast, powerful men off tackle and through the line.

In Munsey, Erick, and Mayfield, Coach Simmons has three exceptional backs. All are big, fast, and powerful. Munsey is a sensational kicker. In every game he gets off one or two sixty and seventy yard kicks. In one game he averaged 50 yards, including the short kicks that situations often call for.

One more week will write finis to a colorful, strange, and odd season for the Buffs. Regardless of the outcome of the game, another fierce football contest will take place next Saturday in Alva.

### Executive Committee Plans Education Meeting for Spring

The Executive Committee of the West Texas Conference for Education met Saturday afternoon at the West Texas State Teachers College to make plans for the coming year. Presiding was C. M. Dillehay with F. E. Savage of the College as recording secretary.

Plans Submitted

Plans were submitted for a permanent organization of the Conference for Education in West Texas. The first conference was held at this college last spring, the chief project at that time being the arousing of interest in the new curriculum movement in the United States and particularly in changes or adaptations for the schools of this region. The committee voted to have a general meeting for all teachers at the West Texas State Teachers College on the tentative date of March 22 and 23, 1935.

Suggestions that the West Texas district be divided into two regional sections of the State Teachers Association were discussed.

Program Committee

President J. A. Hill of the Canyon College and C. M. Dillehay, superintendent of the Hereford Public Schools, were placed on the program committee for the spring rally.

Those attending the meeting were: C. M. Dillehay, president; F. E. Savage, Canyon, secretary; J. A. Hill, Canyon; Deputy State Superintendent Bryan Dickson, Childress; W. A. McIntosh, Amarillo; H. P. Webb, Olton; Miss Elva Fronabarger, Canyon; Mrs. A. L. Stringer, Dimmitt; F. D. Boles, Plainview; Miss Ola Boyles, Amarillo; and Mrs. Sam Isaacs, Canadian.

## Buffalo Band Will Play Friday Night At Canyon High

The Buffalo Band will give its first concert of the year at Canyon High School Friday night.

There are thirty-four members in the organization at present; indications are that instruments are needed badly. The need is especially great for trumpets and clarinets. C. E. Strain, Director of the band, has set as an objective a fifty-piece band, and that there are enough students in school who are capable of doing good work in this capacity to surpass the desired fifty is Mr. Strain's belief.

It is to the benefit of every student interested in music and band work to join the organization as there is a constant and ever-increasing demand for teachers who are qualified to direct work of this kind in the schools of the country. From year to year, more and more attention is being given to developing high school musical organizations, and those students who prepare themselves now to qualify in this respect will benefit greatly in the future.

Incidentally, it might be of interest to the students to know that many of the instruments used in band work are furnished, although some cannot be secured just now.

### SUNNY HILL HAS ACHIEVEMENT DAY

Forty-seven guests and sixteen members enjoyed the program, pantry and sewing displayed by the Sunny Hill club members Monday evening, Nov. 12, at the home of Mrs. Clarence Stallings. One of the most interesting things displayed was a quilt, 73 years old, the thread that it was quilted with cost 10 cents per spool, and the percale for the top cost 40 cents, which is quite a contrast to present day prices.

The program was as follows: Song, Everyone. Secretary's report, Mrs. Alta Lehnick.

"Have You Ever Been Lonely," song, Mrs. Carroll Bray. Wardrobe Dem. No. 2 report, Mrs. Melvin Miller.

"Sally Gets Ready for a Dance," Mrs. W. S. Robinson. Pantry demonstrators' report, Mrs. Clarence Stallings.

The Old Family Album, Club Members.

Refreshments of cookies and punch were served to every one.

**MRS. GEORGE SMALL HAS BLUEBONNET CLUB**

The Bluebonnet Needle Club was delightfully entertained when it met at the home of Mrs. George Small, 1104 Seventh avenue, last Thursday afternoon. Fall flowers further enhanced the attractiveness of the entertaining rooms.

The hours were spent in needle work. Mrs. Harriman was welcomed as a new member to the club.

At the refreshment hour a delectable refreshment plate was served to the following guests and club members: Mrs. Claude Moore, Mrs. John Guthrie, Mrs. Morris Small, Mrs. Harriman, Mrs. J. L. Hefner, Mrs. Virgil Briscoe, Mrs. F. H. Pennington, Mrs. Norval Dickerson, Mrs. W. H. Upchurch, Mrs. Glen Costley, Mrs. Winfield Miller, Mrs. Aubrey Fox, Mrs. Guy Cole, and Mrs. Levi Cole.

### BRIDAL SHOWER FOR ANNE FLUEGEL

Miss Anne Fluegel, bride-elect of Henry Janhsen, was honored with a bridal shower on November 16, by Miss Marie Kuhlman. The color motif of yellow and white was carried out in the decorations and refreshments.

The gifts were delivered to the honoree on a little wagon decorated in yellow and white, and was drawn by little Betty Jean Schuette and Juanita Kuhlman.

Refreshments were served to: Miss Anne Fluegel, the honoree; Mrs. Paul Fluegel, Mrs. John Albers, Mrs. Gust Leseberg, Mrs. Nelda Okkenga, Mrs. Herman Both, Mrs. H. R. ### WEST SIDE H. D. CLUB ACHIEVEMENT DAY

The second year of successful work for the West Side Home Demonstration Club came to a close last Wednesday afternoon with the Achievement Day program and pantry demonstration at the beautiful country home of Mrs. C. L. Gordon-Cummings. The rooms were tastefully decorated with pot plants and chrysanthemums. One hundred and thirty guests registered in the guest book as they were met at the door by the receiving committee and guessed at the number of beans in a quart jar. Useful gifts were presented to those guessing the most nearly correct number.

After an appropriate program consisting of the various reports, a vocal solo by Mrs. L. A. Donnell, piano music by Mrs. L. D. Winn, and Mrs. C. L. Bauer, and two songs by the club, the guests were invited to inspect the pantry. They were delighted with the long rows of canned meats, fruits, vegetables, pickles, etc., besides the pumpkins, turnips, carrots, cauliflower, cabbage and other fresh vegetables. In the county contest Mrs. Gordon-Cummings tied for second place, and considering the dry year, her basement shows a wonderful display.

The refreshment plate held apple pie topped with whipped cream, and Mrs. Bourn and Mrs. Ash poured cocoa and coffee at the dining table. A low black bowl of yellow chrysanthemums between tall black candlesticks, which held yellow tapers graced the center of the table.

All of the clubs in the county except two were represented, and prominent people from Amarillo, Canyon and Happy, and from all parts of the county renewed acquaintances and enjoyed the hospitality of Mrs. Gordon-Cummings. Miss Bass, the demonstration agent brought as a special guest, Miss Maurine Hearne of College Station, who is the extension specialist in home industries.

The next meeting of the club will be with Mrs. Holman on Wednesday, Nov. 28. Besides the election of officers, there are topics of importance to be discussed.

### MISS MALONE ENTERTAINS MONDAY NIGHT

Misses Fannie and Tennessee Malone entertained Monday night in the parlors of Cousins Hall with a very different and interesting party.

The guests were instructed to find a table and decide among themselves what they should play. Cards and dominoes were placed at each table. They were permitted to talk or tell stories instead of playing if they preferred to do so. But they had to progress, no matter what they did. Everyone enjoyed themselves in doing what they most enjoyed.

Refreshments of cookies, candy, nuts and coffee were served to about twenty-four guests composed of college faculty members and their wives.

### INTERMEDIATE MAJORS ENTERTAINED

Five Intermediate Majors who are doing practice teaching in the grades were entertained last Wednesday at the home of Miss Ruby Cornelson on Fifth Avenue.

Candy was made and corn popped while the members of the group told their personal history and interesting experiences they have had.

The previous Wednesday the members of the class met on the north side of the T-Anchor lake for a picnic and wicker roast. Each member of the group told a campfire story while marshmallows were being toasted and apples eaten during the last part of the picnic.

The majors are: Misses Ruby Cornelson, Glen Ray Harrell, Marie Goss, Nell Proctor, and Kathryn Brown.

Miss Florence McMurtry is sponsor of the group.

### THE 1930 CLUB WITH MRS. C. H. JARRETT

Three tables of bridge were enjoyed last Friday afternoon when the members and guests of the 1930 Club met with Mrs. C. H. Jarrett at her home 2501 seventh avenue.

The entertaining rooms were lovely with their large bouquets of chrysanthemums and other fall flowers appropriately placed.

A salad course was served at the tea hour. Guests of the club were Mrs. John Fry, Mrs. Travis Shaw, and Mrs. T. B. McCarter. Members present were Mrs. L. Angel, Mrs. C. R. Burrow, Mrs. Wallace R. Clark, Mrs. John S. Humphreys, Mrs. F. E. Savage, Mrs. D. A. Shirley, Mrs. R. A. Terrill, Mrs. Clyde Warwick, and Mrs. J. L. Dufflot.

### WORK AWHILE, PLAY AWHILE CLUB

There were eighteen present for the all-day canning at the M. M. Wester home on Monday. The day was spent in canning beef and quilting.

Besides the members, we had with us Mrs. Wright of the West-side club, and Mrs. Ed Harvey, Mrs. Charlie Bauer and Mrs. Spiser of the Johnson club.

### STUDY OF JAPAN FINISHED BY PRESBYTERIAN LADIES

Mrs. Joe J. Mickle's talk Sunday morning on the religious leaders, dress and customs in Japan proved to be of great value to the ladies of the Presbyterian Church in their study of Japan.

A week ago Tuesday Professor L. F. Sheffy spoke to ladies of all the churches on Japan, and Monday, nineteen ladies attended the all-day study class at the Presbyterian Church; thus rounding out the study course of Japan as planned. The book reviewed Monday on Foreign Missions, was "Suzuki Looks at Japan," by Lamott.

A covered dish luncheon was served to the ladies at noon Monday.

### SUNNY HILL H. D. ELECTIONS OFFICERS

Fifteen members and two visitors were present at the Sunny Hill Club meeting Monday evening, November 20th.

Miss Bass gave a demonstration on storage space. The following officers were elected for next year: President, Mrs. Otto Lehnick. Vice president, Mrs. Henry Ratjen.

Reporter, Mrs. Joe Russell.

Council Member, Mrs. Melvin Miller.

Wardrobe demonstrator, No. 1, Mrs. Lela Castleberry.

Pantry demonstrator, Mrs. Otto Lehnick.

Bread demonstrator, Mrs. J. B. Knox.

Parliamentarian, Mrs. R. B. Gist.

### MRS. A. K. GOODMAN GIVEN BIRTHDAY SURPRISE

Misses Flora and Lillie May Morris gave Mrs. A. K. Goodman a birthday surprise party Tuesday night at the Goodman home 1904 Eighth avenue.

As the guests arrived they presented the honoree with many attractive gifts.

"Forty-two" was played throughout the evening. The guests present were Mr. and Mrs. Irving So-Relle, Mrs. L. A. Cooper, Mr. and Mrs. Lee Johnson, Mr. and Mrs. A. K. Goodman and George Kenlerim.

Sandwiches, fruit, cookies and cocoa were served to the guests at a late hour by the hostesses.

### MRS. TRAVIS SHAW ENTERTAINED FRIDAY

Misses Hellen Hickman, Miltia Hill, Edna Graham, and Mrs. Geraldine Green were entertained last Friday evening with a dinner in the home of Mrs. Travis Shaw.

Later in the evening the guests were entertained by playing bridge.

### BAPTIST W. M. S. MEETING TUESDAY

All three Circles of the Baptist W. M. S. met Tuesday at the church to study the foreign mission book. Thirty members were present.

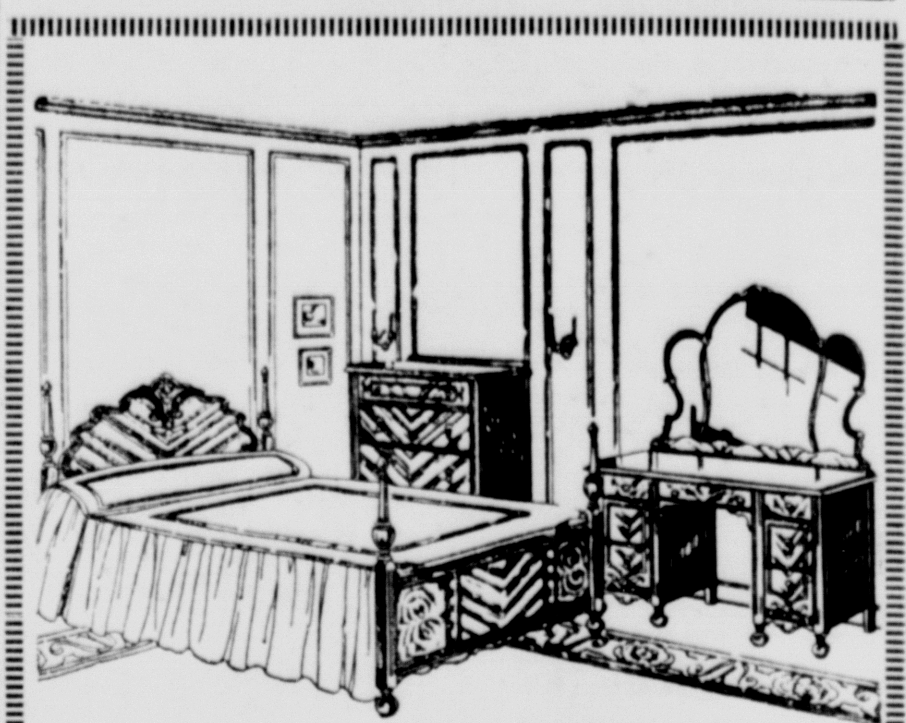

### MISS HILL HAS BRIDGE DINNER

Miss Miltia Hill entertained a group of friends last Thursday

evening with a dinner and bridge party in Randall Hall.

After a three course dinner carrying out the Thanksgiving motif, the guests, Miss Edna Graham, Mrs. Geraldine Green, Mrs. Travis Shaw, Miss Ruth Lowes, Miss Jean Moore, Miss Hellen Hickman, Mrs. Laura R. Saunders, and the hostess played contract bridge.

**ZITA H. D. CLUB IN  
ACHIEVEMENT DAY**

The annual Achievement Day of the Zita Home Demonstration Club was held Tuesday, Nov. 13 at the home of Mrs. D. C. McCormick pantry demonstrator. The following program was given:

House called to order, Mrs. B. E. McCormick.

Club prayer, All.

Club history, members of club.

Secretary's report, Mrs. J. P. Upchurch.

Wardrobe report Class 1, Mrs. Marie Dorman.

Pantry Report, Mrs. D. C. McCormick.

Reading, Mrs. Irby Carruth.

A group of songs, H. A. Shaw.

Club Pledge, Club.

At the close of the program the club presented Mrs. D. C. McCormick and Mrs. Marie Dorman with pyrex pie plates in appreciation of the work they had done for the club. The guests were then invited to inspect the well filled pantry.

Mrs. McCormick's pantry placed first in the county, scoring 97 points out of a possible 100. There are 1028 containers of food on the shelves, valued at \$261.85. In this amount of containers there are 101 varieties. This more than fulfills the requirements of the budget.

The guests were taken to the dining room where tea was being poured by Mrs. Emma Gruner and Mrs. Balie McCormick. The room was beautifully decorated with lovely chrysanthemums grown by the hostess.

Since the pantry was judged October 26th, 185 has registered as having seen it. 125 were present Achievement Day.

California and Kansas had representatives in this group. Guests were also registered from Carson, Hutchinson and Potter counties.

Mr. Pope is about the perillest feller I nearly ever seen. He jista stands at th' door uv his class room an' invites his pupils in with a nice little "cum in, Miss Lowe," er "Mr. So-an-So." En he jes stands down 'bout th' middle uv th' hall, jes like as if he wuz thumbin a ride, and waves th' kids this way 'n that. Ye kids aughter be proud ta hev such a perille principal.

Whut did ye boys think about th' Spaniard that wuz sa handsum? I don't hev ta ask about whut th' girls tho't about him. I cild tell by th' number th' wuz hangin' around him gettin' his autograff—then I bet they cildn't read it. Anyway, I bet they can't per-nounce it. Wal, I c'n, cause I tuk Spanish 3 years. I "flunked" th' second year, so I hed ta take it again. I know that Roberto Guerrero de la Rosa is th' handsomest man I ever have saw.

### SEE IT THROUGH

Last Tuesday, when Senor de la Rosa was being encored, some of the audience in the back of the auditorium left before the entertainer had made his bow.

When a person is encored, he is supposed to perform something else or at least bow.

Would it not seem better to wait until the performer has made his bow or recognized the encore to leave? If you were in his place you would feel more welcome should the audience wait? When a large part of the audience is giving an encore should the minority not be courteous enough to stay? Surely they are not so rushed for time that they could not spare another minute or two.

### CHIPS OFF OLD DESK

"John Johnson 32," "Tom Thomas 31," "Hunk Lonsen," and a couple of "hi-de-ho's" stand carved in bold letters on the desk top. These names are ones that will live forever, but how?

Last year it was suggested that a fine be charged every time a student was found disfiguring the desks or any other property of the school's. This plan, however, did not materialize.

Such a practice of name carving hurts the carver as well as the desk in that the coming students read the names over and over again and get the impression that the carver is remembered as a vandal. A vandal! Fame and recognition were sought, yet it comes to this!

What about the time that goes into this low-grade wood-carving? —The Austin Pioneer.

### ETIQUETTE

Q. When a girl and a boy are being introduced, which one should be presented first?

A. Introduce a man to a woman, a boy to a girl, a younger person to an older. Never introduce a woman to a man unless he is elderly and distinguished.

Q. If a girl is giving a theater party, should she buy the tickets for the show?

A. Yes, the hostess should arrange for all of the tickets.

Q. On which side of the walk should the boy walk, if a girl and a boy are walking together?

A. The boy should walk on the side toward the street.

## De La Rosa Gives Program Of Songs, Short Readings

"I like your country because of its hard working men and beautiful women," said Senor Roberto de la Rosa, a student of the National Medical University of Mexico City, Mexico, who gave a varied program of songs and short talks in the Canyon High School auditorium last Tuesday, November 13. His program was sponsored by the Spanish Department.

Among the Spanish songs he sang were: "Estrellita" (Little Star) and "Marchita" and "Cielito Lindo" (Beautiful Heaven). La Rosa played a familiar melody in the various ways it is played in the following countries: Cuba, Argentina, Spain, France, Germany, Austria, Italy, India, China, and the United States. He also played his version of "St. Louis Blues," "I'll String Along With You," "The Last Round-up," and "El Rancho Grande."

Three countries were represented by Roberto de la Rosa in costume: Spain, Argentina, and Mexico. He has traveled in France, Cuba, Spain, and most of the South American countries. "I was born in Spain, and came to Mexico at the age of six," La Rosa continued. "I've never seen any snow," he confided to the reporter, "but I intend to do so because I am going north to Oklahoma, Kansas, and Illinois to finish my vacation this winter. We have our vacations in winter; they are in the latter part of November, December and the first part of January."

Roberto de la Rosa is bringing a message of friendship and good will to the people of the United States from Mexico. He speaks four languages and is now studying Latin and Greek. "I am a lieutenant in the Mexican Army and will be a captain when I finish my education in the professional school of medicine."

"I like your movies and the actors and actresses. I like them better on the screen than off because I think they lose some of their personality off the screen. The high schools in Mexico are practically the same as those of the United States, except we go to see a bull-fight as you Americans go to see your football games. I've never taken a music lesson in my life, but I play the piano and guitar."

"Each Mexican carries a gun. We have 24 hours a day and count the hours as 13, 14, 15 and so on through 24. We celebrate Christmas on January 6; we have no Christmas tree or Santa Claus, but we celebrate just the same!"

## Group Sees Need For M. T. Building

Should there be a separate building for the manual training classes?

Mr. Gillis, W. T. Manual Training teacher: To have a separate manual training building is the only thing to do because of the noise.

Pay Plaster, sophomore manual training student: That would be swell; then we could make all the noise we wanted to.

Miss Lois Goodrich: Last year and this year, the 9 o'clock senior English section has had a much lower average than the 11 o'clock section, although there has been no special grouping of the students made. It is my belief that the noise in the manual training room is the total cause for the lower average of that class. It is entirely impossible for voices to be heard in all parts of the English room because of the noise in the manual training room below.

Lorene Bessire, senior manual training student: I think it's a swell idea, and both the manual training classes and the classes disturbed would profit by it.

Wesley Cox, junior manual training student: It would be nice.

Carl Prichard, junior manual training student: I think we should have one; then Miss Goodrich wouldn't fuss so much about the noise.

Mr. O. T. Barker, manual training teacher: I think it should be done. The noise would not bother the other classes then, nor would the odor of burning glue go all through the building. The equipment could get special care from one or two individuals, and there would not be much danger of losing the tools. It would probably cut the fee, or enable the fee to be used to get better equipment.

should sit up erect in your chair before being introduced and look at the speaker introducing you. It is also important that you stand erect before the audience, but at ease. "Speak up. Think out your

## Faculty Study Club Discuss Curriculum Revision, Nov. 13

The development of the Curriculum Revision Movement Since 1900, and Current Movements in Curriculum Revision, were the topics of discussion of the Faculty Study Club in its second meeting this year, Nov. 13, in the home economics room.

Six rural teachers were at the club as well as the faculty of the Canyon Public Schools. Miss Marie Fronabarger, teacher in Amarillo, was also present.

Miss Elva Fronabarger, principal of the grade school, discussed the first topic. She asked, "Is curriculum revision necessary?" Her entire discussion was devoted to proving that curriculum revision was necessary. She said that as a result of the social and economic changes, the environment of the students was entirely different; hence a different kind of curriculum is needed to teach the pupils the kind of things that will benefit them most in real life.

Miss Fronabarger led into why we are living in a different society from that of our grandmothers. The answer was, "Science brought about inventions; inventions brought about great changes; changes brought about larger population and trade, and in turn has pushed millions of people out of work."

"We no longer need to understand problems of our own community, but of the whole world." She explained that this is what our children need to be taught; also our children need to be taught how to take care of the problems which arise from this change.

Miss Fronabarger told five of the problems which have come out of this social and economic change; the use of leisure time, conservation of natural resources, proper distribution of national income, continuous employment, and problems of neighborhood and community living.

The question was then asked, "Why should schools be concerned?" The school is a social place, hence should have part in social conditions. She said, "The saddest thing I've read is, 'The American home is dominated by fatigue and economic worry.' The schools must take a large responsibility in solving these problems."

Principal John B. Pope's discussion was a summary of all the different factors which influenced the making of school curriculum. Those factors discussed were: curriculum activities by committees of national education organizations, curriculum revision program in large cities, state legislatures, laboratory schools, propagandists, textbook workers and publishers, and trends in the revision of elementary school and secondary school curriculum.

Refreshments of coffee and cookies were served to those present.

Mr. Carruth invited all the county teachers and people interested in the school curriculum to attend the next meeting of the club which will be December 6.

## Special Assembly Address Given By Chaplain Baskin

"I am come that they might have life, and that they might have it more abundantly," was the scripture text given by Lieutenant Baskin, minister at the CCC Camp, in his talk in assembly Monday morning at 11 o'clock.

"Why have education anyway? Is it to keep teachers in jobs? Is it to keep children out of devilment? No. The old idea of education was that it enabled us to obtain a living more easily. The modern purpose of an education is to train for a higher type of individual living. If we build great institutions, they will crumble or become obsolete. If we build great lives, they will last forever."

Doctors say that the human body contains a mind, but in all of their operations, they have been unable to see it. "We are living souls whether we can see those souls or not," said Lieutenant Baskin. "We must give The Creator, God, credit for our great souls and minds. We want men and women with great minds."

speech and make it short and snappy. Make your speech sane; believe in what you say," he advised. In regard to the last principle, shut up, he said, "Don't pass up a good place to quit."

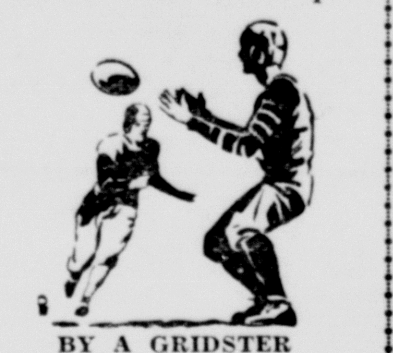

## Editor Makes Back Door Sale

Wanted! Determination like this! One of the co-editors of The Eagles Tale was helping sell subscriptions last week. He was very down-hearted and blue because he had made no sale; imagine, him!

He stopped at a house and knocked on the front door; no one came. Around to the back door he ran. This co-editor knocked at the back door; then he turned around and began talking through the half-open kitchen window, between two milk bottles placed there. Standing on one foot and twisting the cuff of his trousers, he presented the appearance of a very nervous young man trying to sell something.

Suddenly, he dashed around to the front. He came back with the sale.

## Gridiron Gossip

BY A GRIDSTER

The Eagles football team for '35 will play the future Sandie football congregation, the Yannigans, at the traditional Butler Field this afternoon, and both teams are somewhat in doubt as to what the outcome of the battle will produce.

The next year's Eagles are surely tough and ready to mix it up with their foes this week-end, and are in excellent shape for the tilt. The locals lost a hard-fought game to the Yannigans last Friday in a close score of 7 to 0, but the '35 team is not in the least daunted by this close defeat.

Another big football season will have rolled around when boys lay away their football equipment until the fall of 1935 to don the less cumbersome basketball paraphernalia in the near future. The basketballers will have a tough assignment ahead of them this year, but are confident of a very successful season.

All of you fans be up to Amarillo this afternoon to boost the next year's Eagles on to victory.

## Grade Studes Have Week of Programs

The grade school celebrated book week last week.

Miss Erin Gamble's and Miss Lenora Foster's English and reading classes made posters of book week. They were displayed at the Parent-Teacher Association Thursday afternoon.

The 5A gave a program on book week in assembly.

The 7A and 7B gave a play which showed how different countries celebrated Thanksgiving for the Parent-Teacher Association.

Mrs. Ola Beeson's second grade gave a safety program at P. T. A. They also won the attendance prize last week.

The intermediate grades attended the Armistice program and also the entertainment given Tuesday by Senor de la Rosa in the high school auditorium.

## EAGLES TALE ADMITTED TO T. H. S. P. A. CONTEST

The Eagles Tale, Canyon High School publication, was admitted to the Texas High School Press Association last Monday.

The Association, which was organized in 1923, is sponsored by Mary Hardin-Baylor College of Belton. This is the first time the club has been in the T. H. S. P. A. The paper also belongs to the Interscholastic League Press Conference and the Panhandle High School Association, the organization which it sponsored last year.

## Illustrated Posters Placed In Hall

Citizenship posters bearing cartoon illustrated matters or messages have been bought by the school and will be hung in the hall directly south of the main entrance. These posters will be changed every week.

These adages, Mr. I. B. Carruth, Superintendent of Public Schools reports, are for the purpose of stimulating the thoughts of the students.

An example of these bits of philosophy is the inscription on the

## THIRTY JUNIOR BOYS OUT FOR GRID PRACTICE

SEWELL COX IS COACH; BOYS UNDER 15 ELIGIBLE TO PLAY

Thirty Junior football players reported to practice Thursday, Nov. 15, after they had been issued football suits by their coach, Sewell Cox.

The Junior football team is composed of boys under fifteen years of age, including players from the grade school and freshman and sophomore classes. Coach Sewell Cox demonstrated the tactics of blocking and tackling during the first practice. At the close of a very snappy workout, they ran around the track to complete their practice.

Sewell Cox announced that his assistant would be Leslie Lisle. He is expecting to play the first game tomorrow with the Happy Junior team. Cox's team has beaten the W. T. Training School's Junior team twice this season.

## Davis Is Elected Scout President

Mary Ella Davis was elected president of the high school troop of Girl Scouts, Nov. 15, in the weekly meeting in the high school gymnasium.

The troop was divided into patrols, named, Happy-Go-Luckies and the Gypsies. Billy Greenfield was elected patrol leader of the Gypsies and Mary Ella Davis of the Happy-Go-Luckies.

The scouts entertained the 9 o'clock home economics class with a short program of songs, and refreshments of "some-mores."

## Foster and Angel Present Students In Recital Tues.

Mrs. Lee Foster and Miss Irene Angel presented their advanced students in a recital Tuesday evening. The program was as follows: Plantation Melody, Hannah Smith; Myrtle Chitwood.

Waltz of the Flowers, L. Bugbee; Viola Dooley.

A Leap Year Leap, McMeans; Pay Plaster.

Wayside Chapel, G. D. Wilson; Mary Catherine Sharp.

Prairie Rose, Frederick Williams; Martha Frances Campbell.

Anthony and Cleopatra, Stedman; Mary Elizabeth Collins.

Iris, Bernard Warren; Renard; Waltz, Martha Frances Campbell; Renna Beth Bellah.

Twilight, Dell Bagley; Progman; The Zone of Quiet, Hare.

Chasing Butterflies, Lemant; Renna Beth Bellah.

Valse Nanette, R. Friml; Mary May Harrison.

Goodnight, E. Nevin; Mary May Harrison; Gladys McBride.

## Eagles To Meet Yannigan Eleven on Butler Field

The Eagles of 1935 will journey to Amarillo today for a return game with the Amarillo Yannigans.

With three days' practice the Eagles are ready to meet the heavier team. Boots Johnson, Eagle back, will be out of the game, because of an injured knee.

Although the Canyon boys have worked together but a short time, they are organized into a snappy ball club and promise the Amarillo lads a good fight.

Playing with a great handicap in weight and experience, the '35 Eagles were defeated by the Yannigans here last week, 7 to 0.

The Eagles were outplayed in the first half, but came back with a great combat in the last half, making nine first downs to their opponents' seven.

The Eagles' aerial attack dealt the visitors much misery. The locals are expected to do better today and hope to bring home the bacon.

## Amarillo Librarian Speaks to P. T. A. On Better Books

Mrs. Ruth Delzell, Potter County librarian, spoke to the P. T. A. Thursday, November 15, on "Better Reading and Better Libraries" in the high school auditorium.

She first encouraged the P. T. A. to support a movement for a tax supported library. She said that if 50 per cent of the voters petitioned a library, tax supported, from the county commissioners, that it would improve the library and yet not increase taxes. This is due to the fact that the commissioners would include expenses of the library on the budget, she remarked.

Mrs. Delzell stressed the point of giving children the best of literature. She gave the Bible as an excellent example of good literature that children enjoy. Children listen tirelessly to stories of Moses and other Bible characters, she commented.

"Don't we give our children the best sellers? The Bible has been a best seller for 400 years," remarked Mrs. Delzell.

"Fiction takes us out of ourselves. You can find peace, friends, companionship in books, you don't find in home or surroundings," she continued.

Mrs. Delzell discouraged series books. There is only one series of books which she advocates. That is the series of "The Twins" by Lucy Fitch Kirkens. This series is commendable because the twins are of different countries, and it helps acquaint children with foreigners.

"Don't give children war books; give them peace books. Let's become peace minded and not war minded," she concluded.

Mrs. J. A. Hill gave a short devotional based on the Bible selection, "Even as ye have done it unto the least of these, ye have done it unto me."

Oscar Croson played a violin selection accompanied by Miss Lila Beth Burroughs, at the piano.

The second grade gave a short safety program demonstrating traffic rules. The seventh grade students dramatized the history of Thanksgiving, with Ruth Gill, Hazel Sanders, and Carl Cone playing outstanding parts.

## "100,000,000 Guinea Pigs" Is Reviewed

Did you know that one tube of Pebecco toothpaste if eaten contains enough poison to kill three persons, and that the big juicy apple you have at lunch is perhaps coated with arsenic, one of the deadliest of poisons? You learn with direct proof these and many other startling and thought-provoking facts from the book, "100,000,000 Guinea Pigs."

Arthur Kallet, one of the directors of Consumers' Research, Inc., and F. T. Schlink, another director of the Consumers' Research and for six years on the staff of the U. S. bureau of Standards, are the authors of this widely discussed work.

The name, "100,000,000 Guinea Pigs" comes from the fact that in 1933 when it was written, the population of the United States was 100,000,000, and then, as now, people were making themselves laboratory guinea pigs to be experimented on by the advertisers of all types of products.

Some of the most interesting chapter heads read: "Diets of arsenic and lead," "Little white lies," "The quack and the dead," and "Danger in cosmetics." In these chapters the authors with the statements from the nation's most renowned scientists tear down our present ideas of luster, mercure, chrome, all bran, hair dyes, maudeen, Lucky Tiger, and other highly advertised products.

In summing up their discussions of the dangers in everyday foods, drugs and cosmetics and the failure of present day protection, the authors challenge the consumer to prevent these conditions and gives specific ways to accomplish these ends.

Arnita Kirkpatrick, Tennie Dora Brooks and Frances Gill spent Saturday night with Helen Elizabeth Bowman.

People who air all their knowledge show that their knowledge is all air.

A bridge fanatic is one who thinks a trumped ace caused the war between the North and South.

A musical comedy entitled "Oh Professor!" will be presented Tuesday, Nov. 27, in the high school auditorium at 8:00 o'clock.

This musical comedy is under the sponsorship of the Parent-Teachers Association. The plot is wound around a professor who falls in love with a Spanish dancer. Professor Bang is played by J. B. Fowler. The leading man is Bob Hunt, in the character of Steve Crandall. Wilmina, the leading woman, is played by Pollyanna Pitts. The supporting characters are Bill Smith, as Bob Davis, Bob Foster as Dave Davis, Mrs. Milton Sanders as Helen, and Mrs. Caruth as Mrs. Bamboard. There are three choruses of high school girls.

"Oh Professor!" is being directed by Miss Wayne of Wayne P. Sewell Production Co. of Atlanta, Ga.

Boys Meet, Decide To Have Intramural Soft Ball Tourney

Superintendent I. B. Carruth called the boys of Canyon High School together in the study hall Thursday afternoon to discuss an intramural baseball tournament. He said that some new equipment would be obtained for the boys' use if necessary.

Mr. Carruth also congratulated the boys for the genial comradeship which they have had thus far.

At the request of Mayor Burrow, the boys were urged to help in stopping the destruction of bulletins and posters in the postoffice. Mr. Burrow warns that if this continual destruction of Government property is not stopped, the doors of the postoffice will close at 6:00 p. m.

## Friends May Write Letters to Joe Hill At Little America

Mrs. J. A. Hill in a recent communication with Mrs. Richard E. Byrd, learned that it will be possible for any of Joseph (Joe) Hill's family or friends to write to him in care of Tapley and Co., of Dunedin, New Zealand, via the S. S. Niagara, liner, which sails for New Zealand from Seattle Washington, December 5th.

Undoubtedly, Joe will be glad to receive any letters sent to him, as he has not received any since he has been with the Byrd Expedition in the Antarctic regions.

## Buffaloes Stand Up To Atchison Barrage

Mrs. Rockne Sees W. T. Team Play In Kansas

After trailing 19 to 0 at the half, a small but valiant bunch of Texas boys from West Texas State Teachers College went to work in the second half of their game with the St. Benedict's Ravens last Friday in Atchison, and brought thrills and fear to the hearts of the largest crowd ever to witness a Home-coming at St. Benedict's.

Coach Larry (Moon) Mullins, a former star under Rockne, worked the old Notre Dame tradition of the psychology of shock troops to perfection against the Buffaloes. At the beginning of the second period Mullins sent in his first team, and the Buffs, realizing the job facing them, went to work in earnest.

However the Ravens scored once more before the half ended. With Tex Dunaway, Gene Neff, and Jim Helmet advanced the ball from mid-field after Tony Miller, a guard had intercepted Holston's pass, and Helmet circled end for the score.

Early in the first quarter the Ravens scored their first touchdown after Danaher, freshman back for Mullins, had intercepted a pass on the Buff 38 yard line. Danaher picked up 14 yards off tackle, and Red Cahill swung around left end for 24 yards for the counter.

Danaher also started the next touchdown march with a 27 yard dash off tackle. Two passes from Cahill to Dockery netted 36 yards and placed the ball on the Buff 11 yard line. Danaher carried it over.

### Second Half

Captain Walker led his teammates on the field as the second half opened with no one conceding the Buffs a chance to make the game even interesting. But before the game was over the fans were treated to an exhibition of football such as they had never seen. A team, with odds that seemed as almost hopeless in a 19 point deficit to overcome, displayed enough spirit and fighting heart to bring hysteria to the Ravens followers.

The battling Buffaloes backed the Ravens' first stringers up to their goal line. Neff's punt went out of bounds on the 28 yard line. A few line plays and a 15 yard penalty gave the Buffs a first down on the one yard line. Teague was stopped at the line, and Holston carried the ball over tackle. Teague converted the extra point.

Thompson came racing in to replace Van Noy in the Buff back-field, and the Buffs were off for another score. Holston passed 49 yards to Thompson to place the ball on the 12 yard line. Another pass from Holston to Thompson was good for 11 yards. Teague hit the line for about two feet, and Holston scored the second touchdown. Teague's unerring toe

### Do You Get Up Nights?

ARE YOU OVER 40? If so, nature is warning you of danger ahead. Get rid of your trouble early. Make this 25c test. Get Juniper oil, Buchu leaves, etc., in green tablets. Ask for BUKETS, the bladder laxative. Take 12 of them in four days; if not pleased, go back and get your money. BUKETS work on the bladder similar to castor oil on the bowels. Flushes out excess acids and other impurities which cause getting up nights, frequent desire, scanty flow, burning, backache or leg pains. You are bound to feel better after this flushing and you get your regular sleep. Guaranteed by City Pharmacy.

again brought the Buffs the extra point.

With just a few seconds to go the Buffs were never able to gain possession of the ball after the kickoff, and the whistle blew with the Buffs for the second year in a row five points behind. Last year in Amarillo the score was 12 to 7.

### Mrs. Rockne There

Mrs. Knute Rockne was the honor guest at the game which featured two teams displaying the Rockne shift almost to perfection. Throughout the second half all of the Buffaloes played good games, but two men stood head and shoulders above the rest of them.

John Rankin, a 170 pound guard from last year's squad turned in a brilliant defensive game, breaking through the Raven line time after time to make vicious tackles of the St. Benedict's backs.

Red Holston, 150 pound quarterback, turned in the best game of a long and eventful football career. In the first half Holston was all over the field, bearing the brunt of the defense and offense. His cracking tackles from the safety position was all that kept the game from turning into a rout in the first half. In the second half he continued his defensive work, made some flashy runs, was on the throwing end of some effective passes, and wound up by scoring both of the Buff touchdowns.

Capt. Walker also played some good defensive football at right tackle. Van Noy contributed several sensational runs, and Ezell Champion, with his long high, quick kicks was a very important factor in the Buff showing.

No. 14090  
Treasury Department  
Office of Comptroller of the Currency

Washington, D. C., April 4, 1934.

Whereas, by satisfactory evidence presented to the undersigned, it has been made to appear that "THE FIRST NATIONAL BANK IN CANYON" in the town of Canyon in the County of Randall and State of Texas has complied with all the provisions of the statutes of the United States, required to be complied with before an association shall be authorized to commence business of Banking;

Now therefore, I, J. F. T. O'Connor, Comptroller of the Currency, do hereby certify that "THE FIRST NATIONAL BANK IN CANYON" in the Town of Canyon in the County of Randall and State of Texas is authorized to commence the business of Banking as provided in Section Fifty one hundred and sixty nine of the Revised Statutes of the United States.

In testimony whereof witness my hand and Seal of office this 4th day of April, 1934.  
(SEAL) J. F. T. O'Connor,  
\*J-22 Comptroller of the Currency.

NOTICE—SHERIFF'S SALE  
THE STATE OF TEXAS,  
County of Randall:

By virtue of an Order of Sale, issued out of the Honorable District Court of Tarrant County, on the 3rd day of October, A. D. 1934, by the Clerk thereof, in the case of Standard Savings & Loan Association of Detroit, Michigan, versus J. B. Coe & Wife, Robie E. Coe, & J. B. Coe Lumber Company, a Corporation, No. 8307-A, and to me, as Sheriff, directed and delivered, I will proceed to sell for cash, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in December, A. D. 1934, it being the 4th day of said month, before the Court House door of said Randall County, in the City of Canyon, Texas, the following described property, to-wit:

Lot 1, Block 89, of the Mrs. M. D. Oliver-Eakle Addition to the City of Amarillo, Randall County, Texas; levied on the 7th day of November, 1934, as the property of J. B. Coe & wife, Robie E. Coe, & J. B. Coe Lumber Co., a Corporation, to satisfy a judgment amounting to \$3290.45 in favor of Standard Savings & Loan Assn. of Detroit, Mich., and costs of suit.

Given under my hand, this 7th day of November, A. D. 1934.  
344 R. N. BARNETT, Sheriff.

YOU get a real "kick" out of your motor, when your toe touches the starter... if the tank is filled with Phillips 66, the greater gasoline.

Your engine starts with split-second speed, even on days of freezing cold. It does so because Phillips 66 is honest high test. And high test is what it takes to swing a cold motor into instant action.

You know that! You also know that Phillips is the world's largest producer of natural high test gasoline. All of which certainly explains why we frankly print in plain figures

the high test rating of Phillips 66.

In each of our advertisements, these gravity figures are proof of our statements about Phillips high test... are evidence that we fear no comparisons with other gasolines... are your guarantee of greater value for your money.

For more snap and dash... more power and miles... ever-constant and flashing response to the throttle... less noise and knock... discover the difference between gasolines by stopping for a trial tankful at any Orange and Black 66 Shield.

ONE BIG REASON FOR MORE MILEAGE

PHILLIPS 66 LOW TEST GAS  
Less gas used for starting  
More gas left for mileage  
See the dramatic saving given by Phillips 66 high test. It starts motors faster... cold weather or warm. That's why it leaves more gas in every gallon for actual running.  
Wastes gas in starting  
Less gas remains for mileage

# Penalties Remitted On All School Taxes

All penalties, costs and interest on delinquent taxes due to the Canyon City Independent School District have been remitted under the terms of the new law passed by the Legislature.

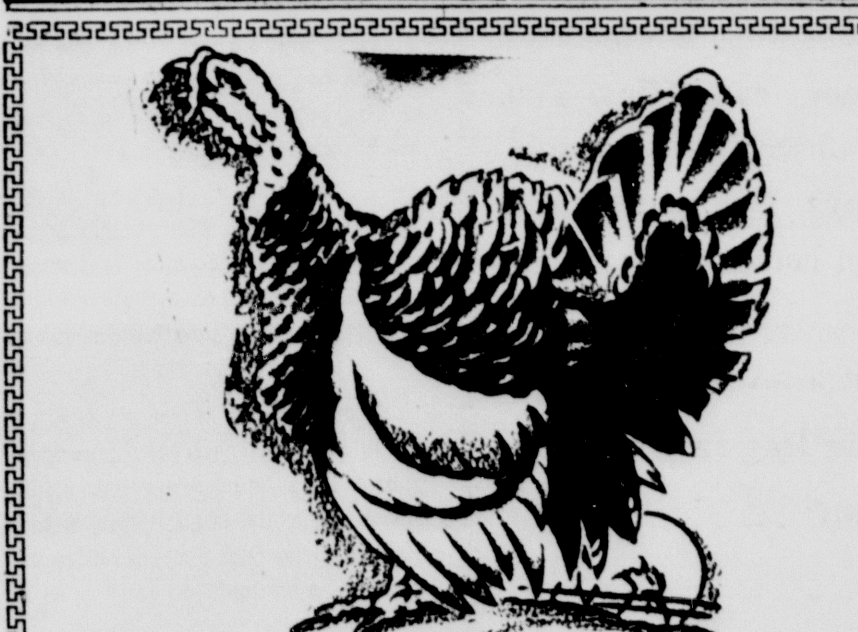

Those citizens who owe delinquent taxes will save these costs by making payment at once, as the penalties will be re-instated in a short time.

Payments should be made at the office of the School District at the court house to Andy Walsh, Collector.

Those who owe delinquent taxes are urged to take advantage of the saving which is made possible under this new law, to save all costs by making payment immediately.

## Future of Nation Discussed Tuesday at Rotary Luncheon

"Where are we headed?" was the question asked Tuesday at the Rotary luncheon by W. A. Warren, who then made interesting comments upon conditions of today, and what might be expected in the future. Democracy is safe in America at the present time, believes Mr. Warren, but there are dangers in the nation which needs the attention of the intelligent leaders. Strikes are largely caused by the foreign element in this nation, who are not citizens of the Nation. They are of the large army of undesirables who have not been assimilated, and which are hard to absorb.

From an economic standpoint, the speaker believed that over production was not so much the problem as under consumption. Perhaps the world is not suffering from such a great depression as we think when the abnormally prosperous conditions of 1929 are compared with the normal trend. Mr. Warren believes that definite improvement will start in 1935 and will continue until 1940, when it may be expected that another decline will be seen. However, the world will not likely see another period as prosperous as 1929.

With one-sixth of the people of this nation living off of the government, a real problem is presented. Many of them are qualified to care for themselves, but the majority are the untrained. There is need of intelligent leadership in the nation to train the youth of today if the Democracy 50 years from now is to be safe. Mr. Warren expressed great confidence in the youth if they are given proper training for the big problems which will confront them.

Visitors present Tuesday were: C. R. McAfee, Guy Saunders, J. Horace Griggs and R. E. Wirtz, all of Amarillo.

## IN THE WORLD OF SPORTS

From All Indications, a Crimson Tide Will Roll in Upon California Late in December . . . Equipose Makes Comeback

FROM all indications it appears that an eleven from Dixie will oppose a West Coast representative in the Rose Bowl classic on Jan. 1.

The prize assignment will probably fall to one of four southern teams: Alabama, Tulane, Rice, or Louisiana State. Any one of these grid aggregations can be depended upon to give a good account of itself, but Alabama, which has had a wonderful record of victories thus far this season, likely as not will receive the bid.

If the finger is put on Alabama, the echo of thunderous cheers will be heard from the west, for on the Pacific Coast the Tuscaloosa boys are prime favorites. They've journeyed to the sunset side of the Rockies four times. Three times the Tide had returned victorious. A tie against the powerful Stanford team of 1927 spoiled what otherwise would have been a perfect record.

Frank Thomas, Alabama's mentor, who learned his football ABC's at Notre Dame under a man named Rockne, has a powerful squad this year, not to mention a wealth of reserve material.

Two of his lads, Howell, half-back, and Hutson, left end, are potential All-Americans—at least Thomas thinks so. And that isn't all. In Riley, Angelich, Booser, and Demyanovich (sounds like a Fighting Irish roster, what?) Alabama has a backfield that doesn't have to take a back seat to anybody's football team.

And the Crimson Tide boasts a stone wall of a line averaging about 200 pounds per man.

It should be a case of "California, Here We Come—And Look Out!"

Ekky has come back! With the veteran Sonny Workman in the saddle, Equipose splashed over a sloppy Belmont track to win the Whitney gold trophy and, incidentally, to let turf fans know he is still in the race to eclipse Sun Bead's mark of \$375,744 as the all-time money winner.

The little chestnut, forced into retirement last May, due to a hoof injury, has, in five years of racing, piled up a total earning of \$338,450.

Folks who demand the most service are generally the slowest pay.

If, as predicted, Alabama journeys to the Pacific Coast for the New Year's Day Rose Bowl Classic, Millard (Dixie) Howell, above, Alabama halfback, will display some fancy wares to the far-westerners. Below is a recent picture of Equipose, who is making a great comeback.

A few weeks ago, in a six-furlong sprint at Narragansett Park, Equipose managed to finish only third, and the railbirds were unanimous in their opinion that Ekky was through.

The Belmont victory, however,

should remove any doubt that the game little horse is not just another has-been. In the Belmont race, against a select field, totting the top weight of 128 pounds, Ekky romped home by a length and a half to win another \$4000 for C. V. Whitney.

## Umbarger Items

Preparations are well under way for the Fall Festival sponsored by the Altar Society, for Thanksgiving Day. A turkey dinner will be served at one (1) p. m., also hot sandwiches, pumpkin pie and coffee. Bingo will be played; tables for card games will be furnished. There will also be booths for home-made candy, aprons, surprise packages, fish pond, and many other guessing games, followed by a dance in the evening. Music will be by the Hereford orchestra. Everyone is invited to spend a pleasant day with us. Come along and bring a friend.

The 4-H club meeting was held in the school on Nov. 20th. Miss Bass explained how to fit our pajamas and told us what to do for the next meeting. The next meeting will be held the 2nd Wednesday of December.

Mrs. Fritz Friemel, her little son and daughter, and Charlie Crouch are leaving for Oklahoma City Wednesday for a visit to relatives. The generous rain of a few days ago was well appreciated by the farmers.

Among the exchanging of visits last Sunday were the following: Mr. and Mrs. Clarence Beckman and Margaret at Charles Beckmans; Rudolph Friemel at Harvey Artho's; Clare Wiecek at Marcella Batenhorst's; Henry Batenhorst at John Batenhorst's; Fred Beckman and Carl Hartman at Walter Beckman's; Cooks at Hancock's; Leonard Batenhorst at Edward Wiecek's; Adella and Marie Batenhorst, Elizabeth Wiecek at E. J. Evers'.

Mr. and Mrs. Harry Friemel celebrated their third wedding anniversary on Sunday last by a party attended by many of their relatives and friends.

Among those going to Amarillo lately were the following: Garcia's on Saturday; Joe, Adella and George Friemel on Sunday and Monday; Beden's on Wednesday and Friday; George Frank on Sunday; Enoch Ramon on Monday; Paul Artho on Saturday.

## EPISCOPAL CHURCH

Next Sunday night, Nov. 25th, members of the choir of St. Andrew's Episcopal Church, of Amarillo, accompanied by their organist, Miss Nellie Erhard, will visit the Canyon church and render a beautiful program of Thanksgiving music.

All students and friends are invited to hear these musicians and to meet them afterwards at the Little House of Fellowship.

Rev. Warwick Aiken, minister in charge, will preach an appropriate sermon, and this will be our Thanksgiving service. The hour for the service is eight o'clock p. m.

## GRAND DAUGHTER OF W. H. WOODS DIES

W. H. Woods, E. W. Woods, Mrs. Lavon Newberry and Mrs. Ed Mickle were called to Galena, Kansas, Saturday to attend the funeral of W. H. Woods' granddaughter, Mrs. Clarence Rice.

Mrs. Rice was a daughter of J. W. Woods, a son of W. H. Woods of this city. The folks from Canyon arrived there early Sunday and the funeral was held Monday. Mrs. Rice leaves a husband, mother and father, one sister and one brother.

## STARTS CHILDRESS CLASS

Dr. A. M. Meyer of the Education department of the College will go to Childress Saturday to meet a class in Curriculum Study. The State Department of Education is taking the lead in promoting a study of the Texas curriculum, and the local college is co-operating in every way possible.

At the present time members of the faculty are teaching classes in Hereford, Pampa, Clarendon, Amarillo, Wheeler and Dalhart.

A class in current governmental problems is also being taught in Amarillo at this time.

It's a lot easier to attract attention than to earn respect.

## BACKSTAGE

in the  
TELEPHONE  
SERVICE

The telephone service this company furnishes you could not be as uniformly good, as quietly accurate, as far-reaching and inexpensive, if the nation-wide organization of the Bell System did not stand behind it.

There is American Telephone and Telegraph Co., the parent organization, furnishing technical and business guidance to the 24 operating companies.

There is Bell Laboratories, the research organization, constantly seeking better and more economical methods and equipment.

There is Western Electric, the supply unit, buying and manufacturing at a cost in most cases below what would be paid in competitive markets.

Each of these units stands behind the men and women who give you your local telephone service. Each is dedicated to the fundamental and enduring Bell System policy of giving good telephone service, at a fair cost to the user.

Back of this policy lies our belief that in an undertaking such as ours, planned for the long run, what is best for the telephone user becomes in the end the course that will bring us the sounder, more enduring success.
